A Nationwide DPC Network Built for Employers

Why Your Employees Will Actually Use DPC

Care That Fits a Job Site Schedule

Text, call, or video visit before sunrise or after the shift ends. No PTO needed for a doctor visit.

Built for the Aches & Injuries of the Trade

Strains, back pain, cuts, and chronic conditions are handled directly. No ER trip, and no surprise bills.

Zero Copays, No Deductible

Workers stop avoiding care because of cost, addressing small issues before they escalate.

A Doctor Who Knows the Worker

Long-term relationships drive better outcomes, and lower hospital and behavioral health spend.

Healthier crews, fewer claims, and a benefits plan workers actually use.

Hint Connect gives self-funded employers access to primary care that will transform their employees' health outcomes, and improve their bottom line.

One Contract

We handle the vetting, credentialing, and contracting with DPC clinics nationwide.

One Invoice

Simplified billing and reporting so you always know what you're spending—no surprises.

One Platform

Eligibility, enrollment, engagement, and reporting in one easy-to-use platform.
